Re: Pleasant Grove City – 300 E Street & Utility Improvement Project

Dear Resident:

We are the Contractor hired by Pleasant Grove City, to install a waterline, water services and hydrants in your area, along with concrete and asphalt repair.

If we need to shut off your water service to complete the work in your area, we will notify you at least 24 hours in advance.

We are going to be doing work in a large area around your neighborhood in the area of 300 E, 200 N to 200 S, Pleasant Grove.

Work will start on June 24th, 2019 and continue in your neighborhood until approximately, September 20th, 2019.

As we approach your home, we ask that you please **do not park on either side of the street** because we will have equipment, trucks and men working. Please do not park on the street in the work zone until you have seen our crew and equipment leave your area. If you leave your items in the work zone or on the street we will need to tow your item to get our work done.

Please do not let children play on stockpiles, equipment or materials. There will also be large trucks and equipment in the area please be watchful of these items.

If you have any questions, please contact: Doug Chrzanowski at 801-420-4965 or Cody Ekker Construction, Inc at 801-768-0945/ or Email: codyekkerconstruction@yahoo.com

Thank you- Cody Ekker Construction, Inc
